S.A.F.E. SOLUTIONS INC

Ottawa, ON. October, 2006 – Ives Clarke, Director of S.A.F.E. Solutions Inc. continues her hard work with children and youth. With more than 30 years of experience and education she has taken the initiative to start a new organization for troubled youths. Ives not only has an extensive background with youth but she has had the opportunity to travel and experience teaching in various countries.

S.A.F.E. Solutions, Inc is a model that deals with skills development in problem solving and leadership. The S.A.F.E. Model is comprised of two courses and each course consists of thirteen lessons. The models are designed for children and youth between the ages of 12 and 17 years of age or older. The courses are fully accessible on the internet and the student stands to benefit from the convenience and efficiency of the program online.

S.A.F.E. Solutions also utilizes an acronym that works in conjunction with students, as well as, the adults who supervise them.

Students	Adult
S= Students	S= Support
A= Action	A= Affirm
F= Focus	F= Facilitate
E= Empower	E= Empower

S.A.F.E. Solutions not only targets student and adults, the model was created even to assist institutions and agencies that serve the needs of children and youth between 12 to 17 years or older and their families. The model is developed in away that allow the youth and adults the ability to closely associate care, education and the protection of children and youth. The S.A.F.E. Solutions process provides the opportunity for children and youth under the supervision of parents and or caregivers/adults to discover for themselves skills and capabilities that are helpful to them on a daily basis.

The outline of the courses and the flexibility are demonstrated when the courses are accessed on the internet. For more information or a demonstration on this new product can help our future please visit, www.safesolutions.org.
